

Staying in My House

My name is . I live in a house with my dad. Lots of kids live in a house. It's important for me to stay in my house with my dad and family. When I stay in the house, my dad will know where I am. He will know where to find me when he needs me. My dad will also know that I am safe if I stay in the house. I will try to stay in my house. This will keep me safe.
